**UPDATE: Additional Nighttime Closures Required for Westbound I-4 Traffic Shift
Between Central Pkwy. and Wymore Rd.**

WB I-4 Travel Lanes and On-Ramps From S.R. 436 and S.R. 434 to Close at 12 AM May 18

Orlando, Fla. – The westbound Interstate 4 (I-4) travel lanes between Central Parkway and Wymore Road are shifting to a temporary configuration as soon as the morning of Saturday, May 18.

This temporary configuration will relocate approximately 2.5 miles of westbound I-4 travel lanes to the center of the I-4 Ultimate work zone. The temporary shift will open work space for crews to build the permanent westbound I-4 travel lanes. As a result of the shift, the westbound I-4 ramps at State Road (S.R.) 436 will slightly change. Motorists will notice the exit point to the westbound I-4 ramp to S.R. 436 (Exit 92) will move approximately one-tenth of a mile sooner than before.

NEW INFORMATION IN BOLD

To accommodate the shift, motorists should expect westbound I-4 between State Road (S.R.) 434 and Maitland Boulevard (S.R. 414) to close from 12 a.m. to 6 a.m. May 18. After the westbound I-4 travel lanes reopen at 6 a.m., motorists should expect lane closures until 8:30 a.m. The westbound I-4 on-ramp from S.R. 436 closes from 12 a.m. until 8:30 a.m. May 18, and the westbound I-4 on-ramp from S.R. 434 closes from 12 a.m. to 6 a.m. May 18.

A handout detailing the traffic shift and closures of westbound I-4 and on-ramps from S.R. 436 and S.R. 434 is available to view or download at fdot.tips/wbi4shift.

Modifications or extensions to these schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.

For media inquiries, please contact the FDOT District Five Communications Office at d5-pio@dot.state.fl.us, or by phone at 386-943-5479.
