Westbound I-4 Lanes from Par Street to Ivanhoe Blvd Shifting

Weekend Closure of WB I-4 Left Exit to Colonial Drive Necessary to Accommodate Shift

ORLANDO, Fla. – Motorists should be advised of an upcoming traffic shift on westbound Interstate 4 (I-4) as you approach downtown Orlando. The weekend of February 8, crews are shifting approximately two miles of westbound I-4 from Par Street through Ivanhoe Boulevard into its final footprint.

Drivers should anticipate lane closures in this area on westbound I-4 through 10 a.m. Saturday, February 8.

To help implement the shift, the temporary left-hand exit to Colonial Drive (State Road 50) will close this weekend starting as soon as 5 a.m. Saturday, February 8, and reopen by 5 a.m. Monday, February 10.

For more information about the westbound I-4 shift and the Colonial Drive weekend closure, [please download or view the attached handout.](#)

Additional overnight ramp closures in the area may be necessary through the weekend to help implement this shift. Visit [I-4 Ultimate's interactive map](#) to view the most up-to-date construction alerts.

Motorists should maintain a safe speed when driving through the work zone, follow posted detour signs, and allow extra time to navigate the downtown area.

Modifications or extensions to these schedules may become necessary due to weather delays or other unforeseen conditions.
