I-4 Ultimate Traffic Advisory *Westbound I-4 exit to S.R. 434 Shifting*

ORLANDO, Fla. – The Florida Department of Transportation (FDOT) is temporarily relocating the westbound Interstate 4 (I-4) exit to State Road (S.R.) 434 (Exit 94). Beginning as soon as Wednesday, June 17, motorists will need to exit westbound I-4 onto a combined exit with the rest area. Drivers will continue west, parallel to I-4, to the exit to S.R. 434.

Please [view or download this handout for more information](#). This temporary alignment is scheduled to be in place through July 2020.

As closures and detours continue, it is important for motorists to pay extra attention to signage as familiar routes may have changed. Drivers should avoid distractions, adjust their speed, and allow plenty of extra time to navigate the I-4 Ultimate work zone.

Modifications or extensions to these schedules may become necessary due to weather delays or other unforeseen conditions. Motorists are encouraged to follow @I4Ultimate on twitter or visit I4Ultimate.com for updates. Real-time traffic information is also available at FL511.com or on twitter @fl_511_i4.
